#### INDEPENDENT AUDITOR'S REPORT

County Commissioners
Miami County, Paola, Kansas

Report on Financial Statement

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of Miami County, Kansas and related municipal entity, as of and for the year ended December 31, 2015 and the related notes to the financial statement.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the Kansas Municipal Audit and Accounting Guide as described in Note C to meet the financial reporting requirements of the State of Kansas; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and the *Kansas Municipal Audit and Accounting Guide*. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note C of the financial statement, the financial statement is prepared by Miami County, Kansas to meet the requirements of the State of Kansas on the basis of the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note C and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

#### Adverse Opinion on U.S. Generally Accepted accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis of Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of Miami County, Kansas as of December 31, 2015, or changes in financial position and cash flows thereof for the year then ended.

#### Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of Miami County, Kansas as of December 31, 2015, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide described in Note C.

#### Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditure-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-agency funds (Schedules 1, 2, 3, and 4 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the Kansas Municipal Audit and Accounting Guide. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note C.

#### Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated April 14, 2016, on our consideration of Miami County, Kansas's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Miami County, Kansas's internal control over financial reporting and compliance.

#### Prior Year Comparative

The 2014 Actual column presented in the individual fund schedules of regulatory basis receipts and expenditures—actual and budget (Schedule 2 as listed in the table of contents) is also presented for comparative analysis and is not required part of the 2015 basic financial statement upon which we rendered an unmodified opinion dated April 14, 2016. The 2014 basic financial statement and our accompanying report are not presented herein, but are available in electronic form from the web site of the Kansas Department of Administration at the following link <a href="http://da.ks.gov/ar/muniserv/">http://da.ks.gov/ar/muniserv/</a>. Such 2014 comparative information is the responsibility of the management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2014 basic financial statement. The 2014 comparative information was subjected to the auditing procedures applied in the audit of the 2014 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2014 basic financial statement or to the 2014 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United State of America. In our opinion, the 2014 comparative information is fairly stated in all material respects in relation to the 2014 basic financial statement as a whole, on the basis of accounting described in Note C.

#### NOTES TO FINANCIAL STATEMENTS

December 31, 2015

#### NOTE A. MUNICIPAL REPORTING ENTITY

The Miami County, Kansas operates under a five member form of government. These financial statements present the government and its related municipal, entities for which the government is considered to be financially accountable. The related municipal entities noted below have a December 31 year end and are included in the County's reporting entity because they benefit the County or its constituents.

#### Related Municipal Entities

The Miami County Public Building Commission was established to acquire sites and or construct or reconstruct buildings, purchase equipment or furnish buildings to be utilized for the housing and accommodation of county offices and county businesses. The board members of this entity are the county commissioners of Miami County. The Public Building Commission's only activity for the current year was the payment of principal and interest on debt issued which is included in the bond and interest fund.

The Marais des Cygnes District No. 16 provides services in such areas as agriculture, home economics and 4-H clubs to all persons in the county. The Council is an elected nine-member executive board. This entity was formerly known as Miami County Extension but has since expanded to more than one county. The entity is presented this year to show the balance carried over from prior year as expended. The entity will be removed for next year.

#### NOTE B. REGULATORY BASIS FUND TYPES

The accounts of the County are organized and operated on the basis of funds. A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The County potentially could have the following types of funds.

General Fund – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose Funds – used to account for the proceeds of specific tax levies and other specific regulatory receipt sources (other than Capital Project and tax levies for long-term debt) that are intended for specific purposes.

Bond and Interest Fund — used to account for the accumulation of resources, including tax levies, transfers from other funds and used to make payment of general long-term debt.

Capital Project Fund – used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

**Business Fund** – funds financed in whole or part by fees charged to users of goods or services (i.e. enterprise and internal service funds etc.). The County did not have any such funds for the current year.

Trust Fund – funds used to report assets held in trust for the benefit of the municipal financial reporting entity (i.e. pension funds, investment trust funds, private purpose trust funds which benefit the municipality reporting entity scholarship funds, etc). The County did not have any such funds for the current year.

Agency Fund – funds used to report assets held by the municipal reporting entity in purely a custodial capacity (payroll clearing fund, county tax collection accounts, etc.).

#### NOTES TO FINANCIAL STATEMENTS

December 31, 2015

#### NOTE C. BASIS OF ACCOUNTING

Regulatory Basis of Accounting and departure from Accounting Principles Generally Accepted in the United States of America - The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligations against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt assignment to a fund, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than mentioned above.

Miami County, Kansas has approved a resolution that it is in compliance with K.S.A. 75-1120a (c) waiving the requirement for application of generally accepted accounting principles and allowing the municipality to use the regulatory basis of accounting.

#### NOTE D. BUDGETARY INFORMATION

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

- 1. Preparation of the budget for the succeeding calendar year on or before August 1st.
- 2. Publication in local newspaper on or before August 5<sup>th</sup> of the proposed budget and notice of public hearing on the budget.
- 3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
- 4. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time. There were two budget amendments for this year. Bond and Interest and Solid Waste budgets were amended.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting in which revenues are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year-end.

#### NOTES TO FINANCIAL STATEMENTS

December 31, 2015

#### NOTE D. BUDGETARY INFORMATION - continued

A legal operating budget is not required for the following special purpose funds:

Law Enforcement Trust

Special Building Improvement Micro Loan Program

Concealed Weapon

Special Retirement

Sheriff Grant

Motor Vehicle Operating

Special Tax

Cops for Tots

Offender Registration

Club Estate Sewer Reserve

Sheriff's Support Program

Special Building

Walnut Creek Sewer Reserve Small Business Grant

Special Economic Development Reserve

Fire District No. 2 Special Machinery

Road & Bridge Special Machinery

Special Drug Forfeiture

Spending in funds which are not subject to the legal annual operating budget requirements is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing board.

#### NOTE E. CASH AND INVESTMENTS

K.S.A. 9-1401 establishes the depositories which may be used by the County. The statute requires banks eligible to hold the County's funds have a main or branch bank in the county or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the bank to pledge securities for deposits in excess of FDIC coverage. The County has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the County's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. Government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The County has no investment policy that would further limit its investment choices. The County rates investments (if any) as noted.

Concentration of credit risk - State statutes place no limit on the amount the County may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405. The County has no investments other than time deposits and certificates of deposit.

Custodial credit risk - deposits: Custodial credit risk is the risk that in the event of a bank failure, the County's deposits may not be returned to it. State statutes require the County's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. There were no designated "peak periods" during the year. All bank deposits were legally secured at December 31, 2015.

At December 31, 2015, the carrying amount of the County's bank deposits was \$57,560,656 (which includes petty cash funds) and the bank balance was \$58,267,960. The bank balance was held by three banks resulting in a concentration of credit risk. The difference between carrying amount and bank balance is outstanding checks and deposits. Of the bank balance, \$750,958 was covered by federal depository insurance and \$57,517,002 was collateralized with securities held by the pledging financial institution's agents in the County's name.

Custodial credit risk - investments: For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the County will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments be adequately secured. The County had no such investments at year end.

The debt limit per K.S.A. 10-306 is three percent of the assessed tangible valuation for exempt farm property, business aircraft and motor vehicles given by the County Appraiser to the County Clerk on June 15 each year. At December 31, 2015, the statutory limit for the County was in excess of \$11,417,866 providing a debt margin of \$11,417,866.

#### NOTE I. OTHER LONG-TERM OBLIGATIONS FROM OPEARTIONS

#### Other Post Employment Benefits:

As provided by K.S.A. 12-5040, the County allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the County is subsidizing the retiree's health insurance plan because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been qualified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (CORBA), the County makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

The County offers its employees two deferred compensation plans created in accordance with the Internal Revenue Service Code Section 457. The plans are available to all County employees. The Plans permit employees to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death, of unforeseeable emergency.

The County has adopted by resolution a salary-reduction flexible benefit plan ("Plan") under Section 125 of the Internal Revenue Service Code. All employees of the County working 20 or more hours per week are eligible to participate in the plan beginning the first day of a pay period following coincidental with an employee's satisfaction of eligibility requirements of any Optional Benefit Plan. Each participant may elect to reduce his or her salary, subject to the limitations of the Individual Optional Benefit plans, to purchase benefits offered through the Plan. All benefits offered through the plan involve insurance coverage, dependent care reimbursements and health expense reimbursements.

#### NOTES TO FINANCIAL STATEMENTS

December 31, 2015

#### NOTE I. OTHER LONG-TERM OBLIGATIONS FROM OPEARTIONS - continued

Compensated Absences:

#### Vacation leave

Employees can accrue vacation leave on a daily basis. Vacation leave accrues for an employee based on the following schedule:

Years of continuous employment	<u>0-10</u>	<u>Ov</u>	<u>/er 10</u>		Over 15
EMS Personnel:					
Hours accrued per day	.394521	.49	3151		.591781
Hours accrued per year	144		180		216
All Other Personnel:					
Hours accrued per day	.263014	,32	28767		.394521
Hours accrued per year	96		120		144
Maximum Accumulation per year	160		160		160
Minimum Hours for one-time leave	.25	.25		.25	
Maximum Hours for one-time leave	e 160	160		160	

Part-time employees working at least 20 hours per week for 50% of the regularly scheduled work period accrue vacation proportionally to the percentage of time worked.

Upon termination, any employee who has been laid off shall receive payment in full for all accrued vacation leave if employee has at least 6 months service. If reinstated within 180 days, the employee will receive credit for any remaining balance of accrued time not issued at the time of lay off.

#### Sick leave

Full-time employees earn 96 working hours of sick leave for each full year of service. Full-time employees may accrue a maximum of 960 hours of sick leave. Classified part-time employees earn sick leave proportionally to the percentage of time worked, not to exceed 960 hours. EMS employees shall accrue 144 hours of sick leave for each full year of service, not to exceed 1,280 hours.

Upon termination, an employee, who has been laid off and who has been in the County service at least 5 years, shall be paid for accrued sick leave in accordance with Section 5.9. If reinstated within 180 days, the employee will receive credit for any remaining balance of accrued time not issued at the time of lay off. Regular employees retiring or voluntarily resigning with at least 5 years of continuous service (or combined service by reinstatement) shall be compensated at his/her regular rate for accrued sick leave. Employees separating from the County for any other reason may not be entitled to payment of accrued sick leave. Voluntary Resignation: employee receives 3% for each full year of service, not to exceed 50% of the maximum accumulation of 960 hours. Retirement: employees receive 4 % for each full year of service, not to exceed 100% of the maximum accumulation of 960 hours.

Upon termination, an employee in good standing with a minimum of two years of service shall be compensated for 3% per year up to 50% of the employee's accumulated sick time. Employees retiring from the County shall be compensated for 4% per year up to 100% of the employee's accumulated sick time. Sick leave paid out under this plan for the year ended December 31, 2015 was \$82,722.

There is no accrual for vacation or sick leave in these financial statements.

#### NOTES TO FINANCIAL STATEMENTS

December 31, 2015

## NOTE I. OTHER LONG-TERM OBLIGATIONS FROM OPEARTIONS - continued

Operating Leases:

The County has entered into lease agreements for the use of certain equipment and office space in accordance with K.S.A. 72-8225. The future minimum payments on these leases are as follows:

Year	Amount
2016	\$ 94,907
2017	25,346
2018	9,377
2019	9,378
2020	9,377
2021-2022	18,755
	\$167,140

The rental expense for the year ended December 31, 2015 was \$140,215.

#### NOTE J. DEFINED BENEFIT PENSION PLAN

#### General Information about the Pension Plan

Plan Description. The County participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing multiple-employer defined benefits pension plan as provided by K.S.A. 74-4901. et. seq. Kansas law establishes and amends benefit provisions. KPERS issues a publically available financial report that includes financial statements and require supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at <a href="https://www.kpers.org">www.kpers.org</a> or by writing to KPERS (611 South Kansas, Suite 100, Topeka, Ks. 66603) or by calling 1-888-275-5737.

Contributions. K.S.A. 74-4919 and K.S.A. 74-49,210 established the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is KPERS 1, KPERS 2, or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009, KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law establishes the KPERS member-employee contribution rates a 6% of covered salary for KPERS 1, KPERS 2, and KPERS 3 members. K.S.A. 74-4975 establishes KP&F (Kansas Police and Fire) member-employee contribution rate at 7.15% of covered salary. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal revenue code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2, KPERS 3 and KP&F be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 0.85% contribution for the Death and Disability Program) and the statutory contribution rate was 9.48% for KPERS and 21.36% for KR&F for the fiscal year ended December 31, 2015. Contributions to the pension plan from the County were \$721,435 for KPERS and \$605,000 for KP&F for the year ended December 31, 2015.

#### NOTES TO FINANCIAL STATEMENTS

December 31, 2015

#### NOTE J. DEFINED BENEFIT PENSION PLAN - continued

#### **Net Pension Liability**

At December 31, 2015 the county's proportionate share of the collective net pension liability reported to KPERS was \$5,102,345 and \$4,209,609 for KP&F. The net pension liability was measured as of June 30, 2015, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 3, 2014, which was rolled forward to June 30, 2015. The County's proportion of the net pension liability was based on the ration of the County's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in these financial statements.

The completer actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publically available on the website at www.kpers.org or can be obtained as described above.

#### NOTE K. RISK MANAGEMENT

The County is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the County carries commercial insurance. Settlement of claims has not exceeded commercial insurance coverage in any of the last three fiscal years.

#### NOTE L. OTHER INFORMATION

Reimbursed Expenses: The County records reimbursable expenditures in the fund that makes the disbursement and records reimbursement as revenue in the same fund. For purposes of budgetary comparisons, the reimbursements are shown as adjustments for qualifying budget credits.

Compliance with Kansas Statutes: References made herein to the statutes are not intended as interpretations of law, but are offered for consideration of the State Director of Accounts and Reports and interpretation by the legal representative of the municipality.

The County has not made timely withdrawals from the Detention Center Construction account and deposits to the General account in accordance with the bond requirements. The County is not aware of any other violations for the year ended December 31, 2015.

Subsequent Events: The County evaluated subsequent events through April 14, 2016, the date the financial statements were available to be issued. The County is currently in the process of building a Detention Center.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFROMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

County Commissioners Miami County Paola, Kansas

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in government auditing Standards issued by the Comptroller General of the United States, the financial statement of Miami County, Kansas as of and for the year ended December 31, 2015, and the related notes to the financial statements, which comprise the County's regulatory basis financial statements, and have issued our report thereon April 14, 2016. The County prepares its financial statements on a regulatory basis of accounting which demonstrates compliance with Kansas Municipal Audit and Accounting Guide which is a comprehensive basis of accounting other than accounting principles generally accepted in the United Sates of America.

Internal Control over Financial Reporting

In planning and performing our audit, we considered the County's internal control over financial reporting (internal controls) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of County's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency, or a combination of deficiencies, in internal control that is less serve than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given theses limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Given & Lucidest, Chastered.
